

You are seeking approval for art installation:

On private property  
within City limits

Consult with the City's Engineering  
Department to determine if an  
encroachment permit is required.

Does your design include promotional  
wordage or graphics?  
If so, contact Community Development  
to ensure regulation compliance.  
707-822-5955

In a public space

(City owned park, facility or open space)

Refer to the Public Art Review  
Guidelines and Application found on  
the *Arts Around Arcata* webpage or  
available in the City's Recreation Office.  
These documents will guide you  
through the proposal process.

Submit your completed Public Arts  
Proposal and application packet, as  
outlined in the above documents, to the  
Arcata Recreation Division.  
For assistance, contact the  
City Arts Liaison, 707-822-7091

The City Content Review Panel  
quarterly reviews proposals.

If approved by the Content Review  
Panel, the City Arts Liaison will assist you  
in submitting your proposal to the  
Parks and Recreation Committee  
for final review.
