Rules and Guidelines for the use of City Sports Fields

PERMIT REQUIREMENT, DEPOSITS AND FEES

1. Users must file a City Facility Use Permit a minimum of four (4) weeks prior to requested use.
2. All activities must be carried out in compliance with the City Facility use Permit and these regulations. Activities not carried out pursuant to the permit are punishable by a fine as set forth in the Arcata Municipal code, section 1200 and may result in forfeiture of the scheduled event and possible forfeiture of future City facility usage.
3. Non-Profit sponsoring organizations applying for permits must have proof of Non-Profit, 501(c) status and a federal tax identification number. For profit activities shall be allowed only in those City parks or facilities where the City Council has adopted a fully burdened cost recovery fee structure for that park or facility.
4. All applicants must pay a deposit at the time of application to reserve requested facilities. All remaining event requirements and estimated fees are due and payable 30 days prior to the scheduled event. Permittees are responsible for all fees and expenses actually incurred by the City for the event, including additional cleanup or repairs required to restore all facilities used by the permittee to their original condition, except that no permittee shall be required to provide or pay for the cost of public safety personnel to provide for the protection of the event or activity and its attendees from hostile members of the public or counter-demonstrations, or for general law enforcement in the vicinity of the event. City departments shall submit final invoices and billings for department charges to the permittee no later than 20 working days after the expiration date of the permit. If the estimated fees and deposit paid by the permittee are less than the final charges, the permittee shall pay the difference to the City within ten (10) working days of being invoiced for such charges from the City. If the estimated fees and deposit are in excess of those actually incurred, any amount remaining will be refunded to the permittee. Assuming compliance by the applicant with all post-event activities, the City shall endeavor to return unused deposit and estimated fee amounts within 30 working days after the event; unusual circumstances may require a longer time period to process the return of unused fees and deposits.

INSURANCE, INDEMNIFICATION

1. Each permit shall expressly provide that the permittee agrees to defend, protect, indemnify and hold the City, its officers, officials, employees, agents and volunteers free and harmless from and against any and all claims, damages, expenses, loss or liability of any kind or nature whatsoever arising out of, or resulting from, the alleged acts or omissions of permittee, its officers, agents, employees or volunteers in connection with the permitted event or activity; and the permit shall expressly provide that the permittee shall, at the permittee's own cost, risk and expense, defend any and all claims or legal actions that may be commenced or filed against the City, its officers, officials, employees, agents and/or volunteers, and that permittee shall pay any settlement entered into and shall satisfy any judgment that may be rendered against the City, its officers, officials, employees, agents or volunteers as a result of the alleged acts or omissions of permittee or permittee's officers, agents, employees or volunteers in connection with the uses, events or activities under the permit.
2. Except as otherwise prohibited by law or in the event an exemption is obtained from the City Manager as set out below, the permittee shall, as a condition precedent to the effectiveness of the permit, procure and maintain in full force and effect during the term of the permit a policy of insurance from an insurance company meeting the requirements of the City's insurance pool and authorized to do business in the state as follows:
 - A. A Certificate of Insurance of \$2,000,000 liability coverage. (**General Aggregate & Each Occurrence**)
 - B. An Endorsement naming the "**City of Arcata, its officers, officials, employees, agents and volunteers**" as additional insured.
 - C. The endorsement must also provide a statement that the insurance will be **primary** and that the insurance will not be cancelled without prior written notice given to the City of Arcata.
 - D. Each certificate shall contain a 30-day cancellation notice to the City of Arcata.
 - E. Users proposing to sell or serve alcohol beverages at events open to the public must also submit a Certificate of Public Liability and Host Liquor Liability in the amount of \$2,000,000 naming the City as additional insured with a 30-day cancellation notice.

H. Proof of insurance shall be submitted to the City prior to issuance of the permit.

3. If the City Manager reasonably determines that a particular use, event or activity does not present a substantial or significant public liability or property damage exposure for the City or its officers, council members, employees, agents and volunteers, the City Manager may give a written exemption of the insurance requirements for a permit.

4. The insurance requirements for permits shall not be construed to apply to activities or events involving expressive activity which enjoy protection under the United States or California Constitutions unless there is a specific demonstrable history of personal injury or property damage claims being awarded against the applicant or the sponsoring organization attributable to the applicant's conduct of previous events in the City that are similar in nature to the proposed event. Applicants for permits to conduct activities or events involving expressive activity which enjoy protection under the United States or California Constitutions shall be required to either: (1) agree to indemnify, protect, defend and hold harmless the City, its officers, employees, agents and volunteers against all claims, damages, expenses, loss or liability of any kind or nature whatsoever arising out of or resulting from, the alleged acts or omissions of permittee, its officers, agents, employees or volunteers in connection with the permitted activity or event; or (2) agree to redesign or reschedule the permitted event to respond to specific risks, hazards and dangers to the public health and safety identified by the City Manager as being reasonably foreseeable consequences of the permitted activity or event; or (3) provide insurance coverage as set forth herein.
