# City of Arcata Maps

Available for smartphones and tablets
Apple and Android Devices

Free Mobile Maps Available!

Avenza PDF Maps – Mobile App PDF Maps is a mobile map application that enables you to download geo-referenced maps for offline use on your Apple iOS or Android smartphone or tablet. Download City of Arcata's geo-referenced maps to your mobile device! Just follow the instructions below:

Works Offline!

- Download maps for **offline** use on your Apple iOS of Android smartphone or tablet.

- Use your device's built-in GPS to track your location on the map.

- Plot and record information about locations, import and export placemarks, measure distances and area, and even plot photos.

Step 1: Download Avenza's PDF Maps for free onto your mobile device

- Access Google Play or the App Store directly and search for "Avenza PDF Maps"
- Open PDF Maps once installed

Step 2: Download Arcata maps for free directly from the Avenza Map Store

- In PDF Maps, navigate to the Map Store (some devices display a shopping cart)

- Click "Find Maps". This will open up a map based on the users location. Select "List" button. In the Search box type in "Arcata". Choose the Arcata map of choice.

- Downloading and installing the map may take a few minutes (wifi is suggested). Once installed, the map can be used offline
