

Sewer Lateral Certificate Process

City Manager (707) 822-5953 Building & Engineering (707) 825-2128 Community Development (707) 822-5955 Environmental Services (707) 822-8184

When is a Sewer Lateral Inspection Required?

- 1) Is your property for sale? Yes No
- 2) Are you transferring or vesting your property to a non-family member or entity?..... Yes No
- 3) Have you applied for a building and/or plumbing permit for construction that exceeds \$30,000 in value?..... Yes No
- 4) Have you applied for a building and/or plumbing permit which involves two or more Drainage Fixture Units?..... Yes No
If you answered **Yes** to **any** of the above questions **continue** to the next question.
- 5) Can you provide proof that your building sewer, including clean-outs, are less than twenty-five (25) years of age? Yes No
If you answered **Yes** to the above question, inspection is **not required**; provide documentation of the sewer facilities to Engineering. If you answered **No** to the above question a Sewer Lateral Certificate is **required**.

What's Next? A Sewer Lateral Inspection is Required
